

## Professional Development for Family Child Care Providers May 2017-July2017

	Times	NYS OCFS Topic Numbers	Location	Description
*NEW	May to July	1,3	<b>In- Home</b>	<b>Anti-Bullying Training:</b> This training will provide curriculum to providers focusing on bullying prevention. Through the use of songs and stories, providers will be able to teach bullying prevention to children in their care. For providers with children in their care ages 3-5 years old. This opportunity is grant funded through the John F. Wegman Fund and is available to providers at no cost.
*NEW	July 15 <sup>th</sup> (Nutrition Class is 9 AM to 5 PM)	1,2,3,4	<b>Rochester Childfirst Network for Nutrition Class and In-Home for Gross Motor portion</b>	<b>Building Wellness:</b> Complete an 8 hour nutrition class filled with hands on activities and participate in an in-home training session focused on gross motor development. From both sessions, receive materials to enhance your program.
	July 29 <sup>th</sup> 9 AM – 2 PM		<b>Rochester Childfirst Network</b>	<b>CPR/First Aid/ AED:</b> This 5 hour class will certify or recertify providers and staff.

For questions about the training options, prices, and registration, please call **Diana Valdez**, FCC SGR Coordinator, at **585-697-3569**. If you are a licensed or registered provider, you are eligible to have the cost for trainings highlighted in yellow covered by CSEA. Please inquire about CSEA coverage when calling to inquire or register for a class.
