- Weekly science experiments with award-winning STEM programs!
- Field trips every Friday!
- Healthy meals prepared on-site!
- End-of-summer *Sea Breeze* Family Picnic!

Dates	Theme	Description
<p>Week 1 June 29th-July 2nd (4-day week)</p>	<p><i>RCN Pre Summer Olympics</i></p> 	<p>Get ready for a week of team building and physical fitness activities! Campers, be prepared to test your skills in both traditional and non-traditional athletic activities; you might be surprised at what you can achieve. Be sure to keep track of your progress!</p>
<p>Week 2 July 6th-10th</p>	<p><i>Gardening</i></p> 	<p>This week, campers will experience planning, planting and caring for their own gardens. Campers will visit the local conservatory and tour the gardens in Highland Park. We will also care for and maintain our garden throughout the summer as we watch our crops grow. We hope for a full harvest in the fall!</p>
<p>Week 3 July 13th-17th</p>	<p><i>Start a Business</i></p> 	<p>During Week 3, the campers will get a chance to develop their own businesses, hire employees and manage sales. They will learn business skills like budgeting, money management, and customer service. Parents, you will want to bring in your extra cash to take advantage of these once in a lifetime deals!!!!</p>
<p>Week 4 July 20th-24th</p>	<p><i>Mad Scientist</i></p> 	<p>Put on your Bio-Nuclear gear!!! The air pressure is changing as our scientists begin predicting, mixing and creating. Your scientists should be ready to explore chemicals that erupt and create solutions that are extra sticky. Don't be surprised if your camper's curiosity runs wild as they create their experiments.</p>

Dates	Theme	Description
<p>Week 5 July 27th -31ST</p>	<p>Art Explosion</p> 	<p>Calling all artists! This week, we will be looking for the modern-day Pablo Picasso or Laura Waring. Splatter canvas painting, clay sculpting, and bubble art are just a few of the different mediums campers will use explore. Be ready to create your own home gallery.</p>
<p>Week 6 August 3rd- 7th</p>	<p>Master Chef Jr.</p> 	<p>Looking for a way to encourage your camper to try different foods? Using math and science skills, campers will take part in a variety of cooking experiences and attend Tops Cooking School. Get your shopping lists ready as campers come home with a cookbook filled with their favorite recipes from the week.</p>
<p>Week 7 August 10th-14th</p>	<p>A Trip Back in Time</p> 	<p>Ever imagine what life would be like without TV, cell phones and movie theatres? This week, campers will turn back the hands of time as they visit the Genesee Country Museum, shop at the market and trade items. Campers will also explore alternate forms of entertainment and may even create their very own plays, songs and poetry—no electrical power needed!</p>
<p>Week 8 August 17th-21st</p>	<p>A Bug's Life</p> 	<p>Ever wonder what a bug does all day? During this week, campers will explore their outdoor environment searching for some of Earth's smallest and most unusual creatures. Magnifying glasses and binoculars will help campers search for, collect and observe bugs. Be ready for a visit from Mr. Tom and his traveling bug collection.</p>
<p>Week 9 August 24th-28th</p>	<p>RCN Summer Olympics</p> 	<p>Our athletes will put their skills to the test as they compete in the RCN Olympic Games, both team and individual competitions. Campers will use their minds and bodies to complete in memory games, a spelling bee, tug-a-war, relay races, long jump and spaghetti toss. Who will be crowned Champion?</p>
